

SIPTM
SIMPLEX IDEAL PEERLESS

THE SIMPLEX 800TM

THE PERFECT COMPANION FOR YOUR PEERLESS 7000 REEL GRINDER

INNOVATIVE. This electric over hydraulic lift table can lift over 800 pounds, 300 pounds more than our previous lift table. This system is very quiet and smooth. It features wide movable forks and tilting ramps for easy cutting unit loading without lifting. This unit is also 13 inches narrower than our previous lift table making it much more maneuverable so it will easily go through standard doorways.
